

FOUNDER

Sherri Haskell is an entrepreneur and financial industry trailblazer who has excelled as a Registered Investment Advisor, stockbroker and funds manager. Throughout her

career Ms. Haskell has earned 3 SEC securities licenses (series 7, 63 and 65), won top performer recognition in multiple capacities, launched her own hedge fund and financial services company Capital Dynamics LLC, and raised over \$150 million in capital. Her far-reaching financial, securities, and marketing acumen have been integral to the launch and fulfillment of dozens of private equity funds.

Combining skill with natural instinct, Ms. Haskell's trading approach was so groundbreaking as to command an entire chapter in Alexander Elder's bestselling financial book *Entries and Exits*. Whether trading stocks or managing hedge funds, Ms. Haskell makes only the most relevant and optimal recommendations for her clients. She recognizes the formidable responsibility of investing people's money and, by proving herself trustworthy, has built enduring relationships with

investors. As an Investor Relations professional for various firms including Zap, Praxis Capital, and Drever Capital Management Ms. Haskell spearheaded strategic marketing campaigns that targeted investors and stockholders through effective content, collateral, and press. Ms. Haskell has also been an integral management team member leading two company IPOs.

Ms. Haskell founded CannaAngels LLC after witnessing first-hand the innovation and eclecticism among cannabis startups. An alternative investment leader, she understands how to vet companies, structure deals, raise capital, and establish trust. As cannabis transitions from the underground to the mainstream, Ms. Haskell and her accomplished team are poised to bring a unique blend of investment intelligence, technical savvy, and steadfast integrity to this burgeoning industry.

Ms. Haskell, based in Sausalito, CA is actively involved in multiple community organizations including over sixteen years as a mentor with Big Brothers, Big Sisters. She is a passionate equestrian who has won competitive ribbons and ridden in eleven countries.

Investors might be wise to get in on weed before it sweeps the nation.
